

Associate Membership Application

Associate Member

Section I. Welcome

Thank you for your interest in the Textile Rental Services Association of America (TRSA). On behalf of the Officers, Directors and Members of TRSA, we welcome your application for membership in the only trade association representing the interests of the commercial laundries and working to protect and expand the market for textile services.

TRSA is a member-driven organization with each member, regardless of size, receiving an opportunity to influence and guide the association – Three (3) associate members on the TRSA Board of Directors. Without members like you, TRSA would not exist and the voice of the commercial linen supply, industrial, healthcare and dust control industry would be silenced.

TRSA consistently serves the industry through:

- Advocacy...Protecting the industry
- Education/Training
- Research/Benchmarking
- Networking and Information-sharing

We welcome you and look forward to your active participation; as with most opportunities, you, and your organization, will only benefit based on your level of investment of time to get involved, access services and network with colleagues. As an Associate Member TRSA offers your company an array of networking and promotional opportunities.

Section II. Business Information

Section VI. TRSA Political Action Committee (PAC)

The TRSAPAC is organized within federal election guidelines to further TRSA's objectives of protecting and expanding the market for textile services through fair, balanced regulation and advocacy. The TRSAPAC is comprised of TRSA member company executives and employees who are organized to support and elect pro-business candidates for the U.S. Senate and the U.S. House of Representatives. It is essential that TRSA members work together to counteract the strong and united forces of groups who oppose the reusable textile services industry.

The TRSAPAC provides access and support from legislative leaders and staff necessary to aggressively represent the interest on TRSA members by supporting candidates that support our industry. TRSA is your only voice in Washington, DC – One member, one vote, ONE VOICE!

TRSAPAC is authorized to solicit voluntary contributions from the executives and other personnel and stockholders of our company for the following years.
