

General Operator Membership Application

Section I. Welcome

Thank you for your interest in the Textile Rental Services Association of America (TRSA). On behalf of the Officers, Directors and Members of TRSA, we welcome your application for membership in the only national trade association representing the interests of the commercial laundries and working to protect and expand the market for textile services.

TRSA is a member-driven organization with each member, regardless of size, receiving equal opportunities to influence and guide the association – one member, one vote, One VOICE! Without members like you, TRSA would not exist and the voice of the commercial linen supply, industrial, healthcare and dust control industry would be silenced.

TRSA consistently serves the industry through:

- Advocacy
- Education/Training
- Research/Benchmarking
- Networking and Information-sharing

We welcome you and look forward to your active participation; as with most opportunities, you, and your organization, will benefit based on your level of investment of time to get involved, access services and network with colleagues.

Section II. Business Information

By completing this section, your company is agreeing to participate in membership and activities of TRSA and to support TRSA in accordance with its Bylaws and scheduled annual dues as set by the TRSA Board of Directors. Please print clearly:

Section VI. TRSA Political Action Committee (PAC)

TRSA PAC is organized within federal election guidelines to further TRSA's objectives of protecting and expanding the market for textile services through fair, balanced regulation and advocacy. TRSA PAC is comprised of TRSA member company executives and employees who are organized to support and elect pro-business candidates for the U.S. Senate and the U.S. House of Representatives. It is essential that TRSA members work together to counteract the strong and united forces of groups who oppose the reusable textile services industry.

TRSA PAC provides access and support from legislative leaders and staff necessary to aggressively represent the interests of TRSA members by supporting candidates that support our industry. TRSA is your industry's only voice in Washington, DC – One member, one vote, ONE VOICE!

As owner, CEO or other senior executive of my company, I authorize TRSA PAC to solicit voluntary contributions from the executives and other personnel and stockholders of our company for the following years.
