

International Operator Membership Application

Section I. Welcome

Thank you for your interest in TRSA. On behalf of the Officers, Directors and Members of TRSA, we welcome your application for membership in the only trade association protecting, professionalizing and protecting the linen, uniform and facility services industry through advocacy, certification, education, research, benchmarking and information-sharing.

TRSA is a member-driven organization with each member, regardless of size, receiving equal opportunities to influence and guide the association—one member, one vote, One VOICE! Without members like you, TRSA would not exist and the worldwide voice of the linen, uniform and facility services industry would be silenced.

TRSA consistently serves the industry through:

- Advocacy
- Professional Development
- Certification
- Networking and Information-sharing
- Research/Benchmarking

We welcome you and look forward to your active participation; as with most opportunities, you, and your organization, will benefit based on your level of investment of time to get involved, access services and network with colleagues.
