Strengthening and Promoting the Linen, Uniform
and Facility Services Industry

TRSA European Laundry Tour (Texcare) June 22–27, 2020 • Germany

Experience the Future of Manufacturing and Laundry Automation and Digitization

Tour cutting-edge laundries and manufacturing plants and facilities with colleagues including Kannegiesser, Jensen and Volkswagen. Start with the *World Textile Services Congress* (June 18–19) and continue the momentum with *Texcare* June 20–21, see exhibits of laundry equipment and supplies totaling 400,000 square feet.

ENJOY FIVE DAYS OF PLANT TOURS. After *Texcare*, join TRSA colleagues to tour plants with the latest technologies and best practices, observe how operators meet demand for clean uniforms, linen and dust control products.

EXPERIENCE GERMANY! Between stops, enjoy your evenings in picturesque cities such as historic Vlotho with its 13th century castle, two nights in the village of Harsum, comprised of nine hamlets known as the true heart of Germany and concluding with two nights in Berlin, the capital and largest city in Germany, where you can see remnants of the Berlin Wall and other museums chronicling Germany's history.

INCLUSIVE TOUR PRICING. Relax and let TRSA do the planning! Your experience includes five nights' lodging in Vlotho, Harsum and Berlin, most meals and coach transportation—for one price.

Hildesheim is famous for its many churches; St. Mary's Cathedral and St. Michael's Church, UNESCO World Heritage sites since 1985, are both extraordinary examples of Romanesque religious art of the Holy Roman Empire. You can also visit the "one-thousand-year-old-rosebush" at the apses of the Cathedral. Enjoy time on the patio at Historic Market Square, surrounded by medieval half-timbered buildings and impressive stone buildings.

JUNE 25-26

Berlin Marriott Hotel

Inge-Beisheim-Platz 1
10785 Berlin
