

How to Customize Graphics:

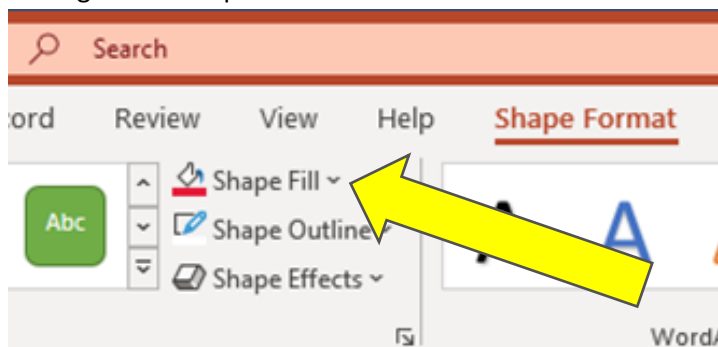

- Each graphic attached is customizable

Customizing background color

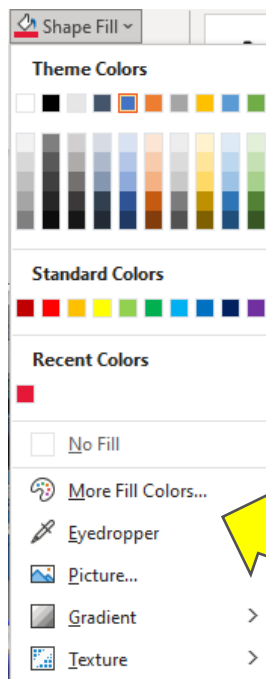

1. Click the rectangle in background
2. Open the “Shape Format” tab of PowerPoint

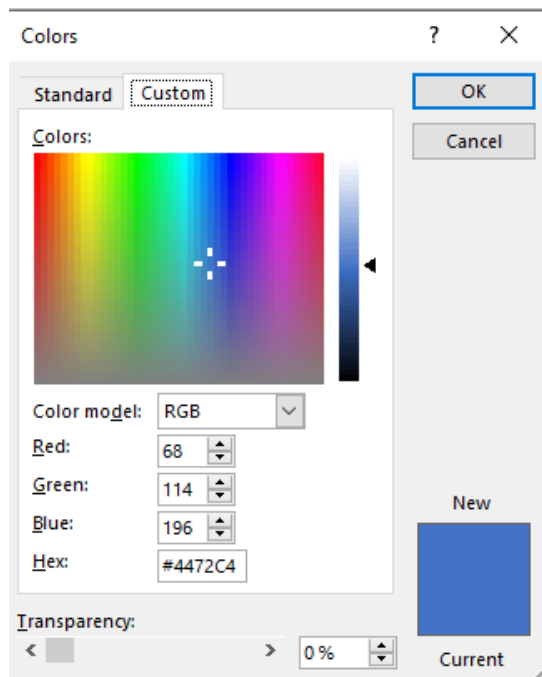

3. Navigate to “Shape Fill” and click it

4. The “Shape Fill” dropdown should appear,
5. Choose “More Fill Colors” from the dropdown

6. If you have your brand's hex code, input them in this section. If not choose a color similar to logo.

7. Now you have a completely customized graphic for job posting ads.
