Clean Green Certification

Application, Inspection and Certification Process

Important Information

TRSA recommends for you to review and download a copy of the [Standard for Clean Green Certification](#) prior to submitting your application. **Please retain this page for your reference.**

Application Process

1. Complete all sections of your application in its entirety. An incomplete application may cause a delay in processing.
2. Determine the appropriate application fee based upon whether the company is a member or non-member. **See Section II of the application.**
3. Submit a copy of your application with payment to TRSA by check or credit card. Applications are accepted by U.S. Postal Service, Courier Service (i.e., UPS, FedEx), or e-mail. **See Section X of the application.**
4. Confirmation of receipt of your application along with additional information will be emailed to you from TRSA.
5. Clean Green Certification Data Report Form: After TRSA receives your application and fees, a *Clean Green Certification Data Report Form* will be emailed to the primary contact indicated on the application. **This form must be returned to TRSA to complete your application.**

Certification Process

1. Once the *Clean Green Certification Data Report Form* has been evaluated, TRSA will notify the primary contact via email regarding certification decision.
2. Once certified, the primary contact will be informed of the inspection process.

Inspection Process

1. Clean Green certification inspections will be conducted in the primary plant once during the three-year certification period.
2. Auditors must have access to certified facilities during normal business hours to conduct audits for the purpose of determining compliance with this standard. Audits will be scheduled at a mutually agreeable time between the TRSA Auditor and the laundry facility. For more information regarding audits, reference Section 5 of the [Standard for Clean Green Certification](#).
3. Once an audit is conducted, expenses incurred by TRSA for onsite inspections will be invoiced separately based on actual costs.
