### Audit Process

1. Approximately 90 days prior to your expiration date, TRSA will contact you regarding the audit process.
2. Auditors must have access to facilities during normal business hours to conduct audits for the purpose of determining compliance with this standard. Audits will be scheduled at a mutually agreeable time between the TRSA Auditor and the facility. For more information regarding audits, reference Section 6 of the [Hygienically Clean Hospitality Standard](#).
3. Once an audit is conducted, expenses incurred by TRSA for onsite audits will be invoiced separately based on actual costs.

### Certification Renewal Process

1. After the audit confirms compliance with Hygienically Clean Certification Hospitality requirements, the facility will be renewed.
2. Full payment of all program fees (certification and renewal audit) for all facilities must be paid prior to renewal being granted. Subsequent fees (inspector costs and remaining certification fee) will be invoiced after renewal is granted. **See Section X of the application for applicable fees.**
3. Once renewal is granted, a Certificate of Compliance stating conformance to production of hygienically clean textiles will be issued. The facility will then be given permission to use the Hygienically Clean logo indicating conformance to this standard.
