D. Identify Industries You Serve

TRSA delivers targeted information to your desktop based on your markets and products, promoting your company to your customers and prospects in these markets.

Please select the markets most significant to your company based on the amount of revenue your company generates in each.

DUST CONTROL. Select if your company's revenue from dust control products (mats, mops, towels, etc.) is greater than revenue from all other products (including linen and uniforms) provided to the linen, uniform and facility services industry.
FOOD AND BEVERAGE (F&B)/LINEN. Business locations where F&B is consumed, mostly restaurants and other foodservice outlets; organizations that serve F&B remotely, such as caterers and contract foodservice. Customers typically require table linen and garments but your company may provide only other products.
HEALTHCARE. Hospitals, other acute care, long-term care facilities where patients stay overnight. Customers typically require bed linen and garments but your company may provide only other products.
HOSPITALITY. Hotels, other lodging where guests stay overnight. Customers typically require bed linen but your company may provide only other products.
OUTPATIENT MEDICAL. Surgery centers, urgent care, labs, medical offices, other ambulatory care facilities where patients receive same-day services. Customers typically require bed linen and garments but your company may provide only other products.
INDUSTRIAL/UNIFORM. All other types of businesses besides F&B, Healthcare, Hospitality and Outpatient Medical, such as other service and retail industries, manufacturing, government. Customers typically require uniforms and dust control but your company may provide only other products.

E. Identify Company Products/Services

Company contact information will appear in the annual printed Buyers Guide in *Textile Services* magazine.
